HON. JOSHUA EMILIO S. GELI:

Thank you, Mr. Chairman. Good afternoon again to my colleagues. This is a committee report, first with the Committee on Health and Sanitation. Subject of which is...

A resolution authorizing the City Mayor to enter into a Memorandum of Agreement with the Department of Health (DOH) to enter into a collaborative approach in the provision of services related to HIV and AIDS including access to antiretroviral drug for people living with HIV.

FACTS AND FINDINGS:

Committee hearing was held on December 4, 2024 together with the committee members and the resource persons involved. It was discussed during the said committee hearing that this initiative by the City Government is due and timely as the current cases of Surigaonons who are found to be positive in HIV are currently on an upward trend making Surigao City 2nd in number of cases in the Caraga Region. This however can also be associated with the dedication of our health care personnel who have exerted much efforts in case tracking/contract tracing of people who have tested positive. But regardless of this, the data and statistics we currently hold is just the tip of the iceberg of the current situation and much need intervention such as this is needed.

Based on the draft MOA presented, the main goal is for the City Health Office to be one of the DOH-designated treatment hubs that facilitates the provision of safe, comprehensive, and compassionate care to

HIV and AIDS patients. What is needed from the City Government is only to provide a space or clinic wherein, but not limited to testing and aftercare counseling can be done and the associated staffing, equipment and materials needed for this to function. Once the clinic is established, DOH will be the one who will provide for the antiretroviral drug needed for the maintenance of the patients who are found to be positive, which is estimated to cost patients P3000 (Three Thousand) pesos daily.

RECOMMENDATION:

The Committee on Health and Sanitation hereby recommends to pass a resolution to enter into a Memorandum of Agreement with the Department of Health as presented, Mr. Chairman.

With this Mr. Chairman, I move to adopt my committee report.

The motion to adopt the committee report was approved. Thereafter, a motion was presented and approved, to wit:

Good afternoon, Mr. Chairman and to my colleagues. I have five committee reports, the first of which

COMMITTEE REPORT
Committee on Rules

SUBJECT:

Indorsement from the Office of the City Mayor requesting a resolution authorizing him to enter into a Memorandum of Agreement with the Development Bank of the Philippines (DBP) for the Payroll Servicing Agreement.

FACTS/FINDINGS:

During the committee hearing held on December 3, 2024, it was revealed that the payroll servicing agreement between the City Government and the Development Bank of the Philippines (DBP) has been ongoing for a significant period of time.

It was noted that Paragraph 1, Section X of the Memorandum of Agreement (MOA), specifically under its Miscellaneous Provisions, states the following: “This agreement shall take effect upon execution of the contract for a period of one (1) year and shall be automatically renewed for another one (1) year thereafter, unless otherwise terminated, amended, modified, or supplemented in writing upon mutual consent of the parties.” This clause signifies that the MOA has an automatic renewal provision, which effectively keeps the agreement in force unless either party explicitly terminates, modifies, or amends the terms in writing.

RECOMMENDATION:

Given that the automatic renewal clause of the MOA is currently in effect, the committee on Rules has determined that there is no immediate need for a resolution to authorize the City Mayor to enter into a new agreement, as the current MOA remains valid and operational.

Therefore, the committee recommends that the request from the Office of the City Mayor be remanded back with the information that the existing MOA is still valid and effective due to the automatic renewal clause.

Mr. Chairman, I move for the adoption of my committee report.

The motion to adopt the committee report was approved.

HON. JEONIL B. ALDONZA:

Mr. Chairman?

HON. CACEL R. AZARCON:

I am not questioning your committee hearing, Hon. Catre, but I am just manifesting that the membership of these committees have not yet been formalized because, as stated earlier, the other members which were listed there as members of the committees were not yet informed or have accepted their nominations. That is my manifestation.

HON. JOSE EXPEDITUS B. BAYANA:

At any rate, Mr. Chairman, if majority of the committee members were able to attend the committee hearing or even sign the committee report, there is no question about the committee reports. All we are asking is that we'd be given a reasonable time to think over matters, because this is the first time. In fact, this is only now under other matters, that we were informed that we are supposed to be members of some of the committees.
